Phillips Avenue – Knights Inn – Tree Replanting

Ltr. dated 4/5/16 to Dan Suratwaza (Knights Inn) from Shade Tree Secretary regarding replanting of 6 dead/dying trees on Phillips Avenue. Summit Landscaping says he cannot get the trees. I called a nursery and said it is too late to plant these trees. Summit landscaping would like to replant Okame Tree. However, I don't think these trees have roots that grow down into the ground. The Nursery says that cherry trees normally push up the sidewalks. Commission to decide if replacement tree is acceptable.
