

Test Your Home for Radon Exposure!

Free Test Kits will be available to Bergen County residents only on a first-come, first-serve basis (while supplies last).

To receive a kit, please call Kelly Diana at **201-634-2803** or visit **Room 103A** of the Bergen County Department of Health Services' **Environmental Program**, Community Services Building, 327 E. Ridgewood Avenue, Paramus, N.J. *(When picking up a kit, please bring proof of residency.)

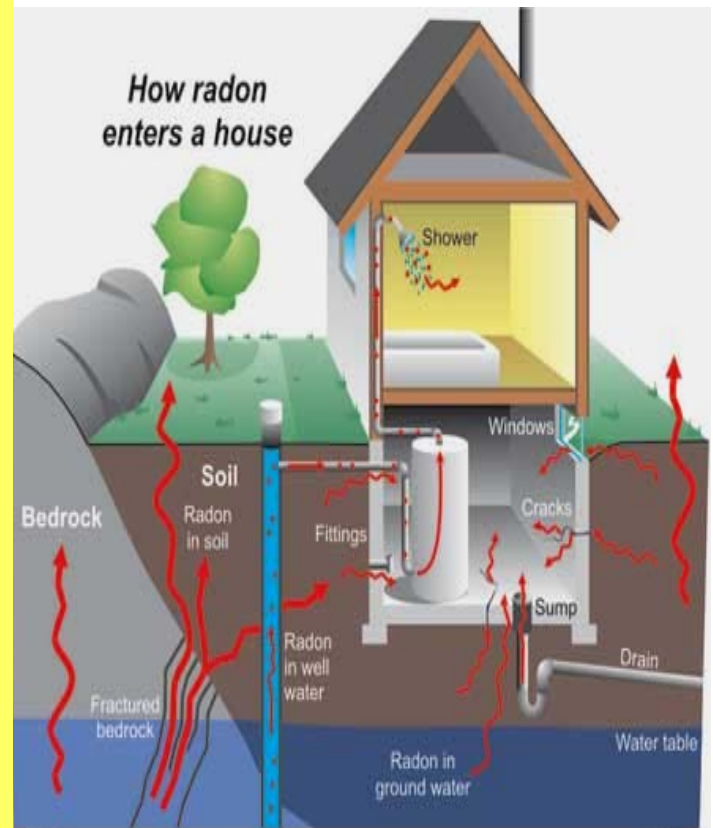

****Kits will also be available at county health services for \$20 after the supply of free kits has been distributed.**

What is Radon Gas?

- The natural breakdown of uranium.
- Has no taste, color, or smell.
- Released in soil, rock, water and leaks into homes through cracks and other openings in the foundation.

Why Test for Radon?

- The second leading cause of **LUNG CANCER**.
- The **#1 cause of LUNG CANCER** among non-smokers.
- **21,000 lung cancer deaths** each year in the United States.
- **500 lung cancer deaths** each year in N.J.

Kathleen A. Donovan, *Bergen County Executive*
